Sir,

Land Acquisition - South Kanara - Coondapoor Taluk -
Jedkal village - Construction of a well for the inspection shed -
Notifications under sections 4(1) and 6 submitted.

The District Forest Officer, North Mangalore requires 0.12 acres of land in S.No.176/10 in Jedkal village, Coondapoor Taluk for sinking a well for the use of the inspection shed at Jedkal. The land is arable and contains no buildings. Excepting one tree, valued at Rs.3-6-6, there is nothing on the land.

2. The total value of the land with the tree is Rs.24-9-11 including 15% compensation. The owner of the land does not object either to the acquisition or to the value as estimated - please see copy of translation of his statement enclosed.

3. The acquisition is an urgent matter, in order that the well work may be completed before the next monsoon.

4. I consider, therefore, that an enquiry under section 5A of the Act may be dispensed with in this case as it will only delay acquisition proceedings in a comparatively small matter. The District Forest Officer states that he would have obtained the plot by private purchase but for the orders in G.O.No.1697, Revenue, dated 30th August 1927 communicated with B.P. No.55 Press, L.R.& S. dated 14th September 1927. I am accordingly submitting herewith

-2- 4

draft notifications under sections 4(1) and 6 of the Act for approval and submission to Government.

Your obedient servant,

For Collector.

C.No.3795 I

Land Acquisition - South Kanara - Coondapur
taluk - Jedkal village - Well for inspection shed.

From the Board of Revenue, No.C.12543/2711, dated
14/12/27

U.S.

Please see the letter from the Collector of South Kanara on pages 2-3 c.f. and the Board's reference thereon on pages 1-2 c.f. The land propose for acquisition is required by the District Forest Officer, North Mangalore for sinking a well for the u of the inspection shed at Jedkal village in Coondapur taluk. The total value of the land is stated to be Rs.24-9-11 and the land is required urgently in order that the well work might be completed before the next monsoon. With reference to para 3 of the Board's reference, it is not definitely known whether funds have been provided for meeting the expenditure, but as the amount is small, it might be possible to meet the cost from the sanctioned funds. It is perhaps unnecessary to consult the C.C. in the matter. The notifications under Sec.4(1) and Sec.6~~xx~~ of the Act. may be approved and published in the Gazette as recommended by the Board in para 2 of its reference. A draft memo. to the S.G.P. is submitted for approval.
